INTERNATIONAL GENERAL CERTIFICATE OF SECONDARY EDUCATION (IGCSE) GENERAL CERTIFICATE OF EDUCATION (O/AS & A/AICE(HC))

FINAL EDITION DATED SEPTEMBER 2009

INSTRUCTIONS

1 About this timetable

- 1.1 Attention is called to the changes made since the first issue of the timetable. The changes are printed in red on this timetable.
- 1.2 This timetable contains:
- Notes on final timetable
 - A full list, in date order, of all examinations
 - Key to final timetable. This is a full list, in alphabetical order, of all examinations.
- 1.3 If any paper is not mentioned in the timetable, Centres must contact CIE for the examination dates.

2 About the sessions and the KEY TIME

Examinations must be taken in the morning or afternoon timetable session as shown on the FINAL timetable.

All candidates entered for examinations in a session must be under Full Centre Supervision at the **KEY TIME**. If Centres timetable examinations outside of the **KEY TIME** they must keep candidates under Full Centre Supervision until they do start the examination; or if they have already completed the examination, they must be kept under Full Centre Supervision until the **KEY TIME**.

The **KEY TIME** will be expressed as GMT/UTC. Centres will need to convert the **KEY TIME** in GMT/UTC into their local time. To check the difference between GMT/UTC and your local time please visit the CIE website at www.cie.org.uk/keytime

The **KEY TIME** for the morning session is 05:00 (GMT/UTC).

The **KEY TIME** for the afternoon session is 09:00 (GMT/UTC).

What does "under Full Centre Supervision" mean?

Candidates can be in the examination room, doing their examination, under the supervision of invigilators.

Or, if the **KEY TIME** is before the start of the examination, they must be supervised by teachers or invigilators from the **KEY TIME** until the start of the examination. They can have access to their books and notes, and they can talk to each other. However, they must not have any access to telephones, mobile phones, the Internet, or any means of external communication; and they must not be allowed any communication with anyone not under Full Centre Supervision.

Or, if they have finished their examination, they may be permitted to leave the examination room provided that they are supervised by invigilators continuously from the time they leave until the **KEY TIME**. Once outside the exam room, they can have access to their books and notes, and they can talk to each other (provided that they do not cause any disturbance to candidates who are still doing an examination). However, they must not have any access to telephones, mobile phones, the internet, or any means of external communication; and they must not be allowed any contact with anyone not under Full Centre Supervision.

Failure by a centre to comply with the Regulations regarding the **KEY TIME** will be considered Maladministration by CIE and may result in CIE being unable to accept candidates' work.

Centres must report to CIE any incidents or irregularities amongst candidates under Full Centre Supervision, including any access to unauthorised means of communication. Such instances will be treated as Malpractice.

UNIVERSITY of CAMBRIDGE
International Examinations

3 Centre Arrangements

Centres are responsible for letting candidates know when their examinations will start, and for telling them about any changes to the printed timetable.

Centre arrangements must fully comply with all Regulations including those for the **KEY TIME**.

4 Where there is more than one paper in a single session

- 4.1 If a candidate is entered for two papers which are timetabled for the same examination session, they may have a short fully supervised break between the two papers. The Regulations regarding the **KEY TIME** must be followed and the candidate must be under Full Centre Supervision during this break.
- 4.2 If a candidate has to sit two papers in one session, the second question paper must NOT be given out until the time allocated to the first question paper has been allowed and the scripts for the first paper have been collected.

This rule applies unless the rubric of either of the question papers gives a different instruction.

5 Time Allowance for Question Papers

Any time specially allocated for candidates to read through question papers and to study maps, etc., is already **included** in the total time allowance shown in the timetable. You must not allow any additional time.

6 School-based Syllabuses

For school-based syllabuses, **written** examinations should be timetabled between 3 May and 14 May. Completed Mark Sheets must be received in Cambridge by **30 May**.

7 IGCSE Art & Design 0400 Papers 1-3 and GCE AS & A Level Art & Design 9704 Paper 01

Copies of IGCSE Art & Design 0400 Papers 1-3 and GCE AS & A Level Art & Design 9704 Paper 01 are to be given to candidates **on receipt**.

8 Timetable clashes

If a candidate is entered for two papers that are timetabled for the same session, the rules to be applied depend on the total duration of the two papers.

If the total duration is 3 hours and 45 minutes or less:

both papers should be taken in the same session with a supervised break between the papers. Regulations regarding the **KEY TIME** must be observed in full. You do not need to notify CIE about this.

If the total duration is more than 3 hours and 45 minutes:

you must submit a Timetable Deviation Form 9 (INT/E24) to CIE.

Please note that whenever there is an approved timetable deviation, candidates taking an examination at a time that is not the scheduled session, must be kept isolated from candidates who have already taken the paper, and must be under Full Centre Supervision from the **KEY TIME** for the examination until the time they actually take the examination.

If CIE is unable to confirm that candidates have been kept under Full Centre Supervision from the **KEY TIME** for the examination until the rescheduled examination time then CIE may be unable to accept the candidates' work.

For further information about timetable clashes, please refer to the appropriate section of the CIE Handbook for Centres 2010.

9 Practical Tests in Science and Food & Nutrition

- 9.1 All practical papers must be taken in the sessions shown on the FINAL timetable.
- 9.2 If there are more candidates than there is space for in one sitting, the Invigilator may hold the test in two sittings, as long as satisfactory arrangements are made to ensure the integrity of the Examination, including full compliance with Regulations regarding the **KEY TIME**. Arrangements must be made to ensure that there is no communication by any means between candidates who have taken the test in the first sitting and those who are scheduled to take it in the second sitting, either at the Centre or at any other Centre.
