Thailand's Prestigious International School

CELEBRATING 43^{yrs}

TRAILL

TRAILL

Welcome to Thailand's Prestigious international school...

where students enjoy a quality education in an exclusive environment

Trail is one of Bangkok's oldest and most established international schools. Setting its sights firmly on the future, the school delivers a long-proven education with a new state-of-the-art campus.

For 43 years, we have provided a strong academic programme, based on the world-respected English National Curriculum. Trail students are accepted by the world's finest universities, including London, Cambridge, New York (NYU), Monash and Chulalongkorn.

An impressive record of exam results and a dedicated team of professional teachers make us a first division international school. Students tackle a challenging programme, and one that provides discipline and structure, in an environment that is both stimulating and caring.

What you can expect from Trail

A solid academic background

Based on the world-respected English National Curriculum, the programme offered at Trail International School provides a well-rounded education from kindergarten to secondary school.

An established reputation

Trail, established in 1966, remains one of Thailand's oldest international schools. Registered under the Department of Education and Skills in England, Trail International School is licensed by the Thai Ministry of Education in Thailand and is a member of the European Council of International Schools (ECIS). Worldwide Education Services (WES) accreditation is in the final stages.

A school with a central location

Near to the Rama 9/Ramkamhaeng intersection and with easy access to major expressways, Trail's central location means that your child will spend less time on the road and more time learning.

Fully qualified first language English teachers

All teachers appointed at Trail International School are fully qualified and experienced. They have also undergone Trail's rigorous interview process.

Nurturing and caring

...where both parents and students can enjoy a warm and friendly environment.

Low student-teacher ratio

Few other international schools can claim such a great student-teacher ratio.

State-of-the-art facilities

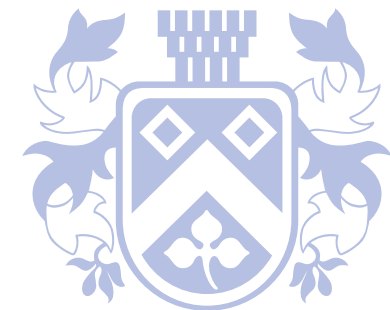

Trail has a newly completed campus, which includes a state-of-the-art library, purpose-designed classroom suites, two new swimming pools with diving facilities, and more.

Value-for-money education

Trail's competitive prices allow students to benefit from a quality education that offers true value for money.

Good record in sports and performing arts

At inter-school matches the Trail team spirit is clear for all to see, while the school boasts some of the most competitive teams in Bangkok in several sports.
